**MOTION TO RECONSIDER DISMISSAL ORDER ENTERED ON FEBRUARY 15, 2018 AND REINSTATE CASE**

1. On or about September 8, 2014, the Debtor filed a voluntary petition for Chapter 13 with this Court.
2. Debtor's Chapter 13 Plan was confirmed on July 23, 2015.
3. Debtor's Plan was dismissed as a result of the Standing Trustee's Motion to Dismiss for failing to make payments on February 15, 2018.
4. At the time of dismissal, Debtor was approximately \$6,637.25 behind in Plan Payments or just over five months behind.
5. Debtor, who is self employed as a therapist, fell behind due to losing state funding for contracts with her vendors.
6. Debtor is able to catch up on her payments now that she has gotten approval for new contracts. Debtor recently posted a \$4000 payment and intends to make excess monthly payments above her plan amount so she can catch up entirely on her arrears.
7. The Trustee's office has no objection to this motion so long as Debtor can bring her account current and demonstrate that she can make the payment amounts going forward.

**WHEREFORE**, Debtors requests that this Honorable Court vacate the dismissal order of February 15, 2018, reinstate the case and enter the attached Order.

Dated: February 15, 2018
